SYSTEM ON BRAKING)

COVER LETTER REGARDING EXECUTED APPLICATION

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

The undersigned points out that the executed application being filed herewith includes a copy of pages 1 and 2 of an executed Declaration forwarded to the office of the undersigned by facsimile, and pages 1-16 of specification and claims which were forwarded to the office of the undersigned by mail courier as well as 7 sheets of drawings which were separately forwarded to the office of the undersigned by mail courier. Further, based on information and belief that the specification, claims and drawings as filed herewith were presented to the inventors at the time of execution of the Declaration on January 28, 2004, the facsimile copy of which is filed herewith, the undersigned has attached the copy of the two pages of the Declaration forwarded to the undersigned by facsimile transmission to the specification and claims, as well as the drawings separately forwarded to the undersigned by courier.

Accordingly, Applicant respectfully submits that the present application is properly executed and should be considered as filed in executed form. However, if the U.S. Patent and Trademark Office determines that the present application is not properly executed, Applicant respectfully requests that the present application be treated as an unexecuted application under 37 C.F.R. 1.53(b) and (f).

Should there be any questions or comments, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Yen-Weay HSU et al
